Gentlemen

Enclosed is the Rocky Flats Cleanup Agreement Implementation Quarterly Status Report for the First Quarter Fiscal Year 1997. The Department of Energy has incorporated comments received by the Environmental Protection Agency on the RFCA Implementation Quarterly Status Report for the Fourth Quarter Fiscal Year 1996 into this quarter's report to the extent possible. The Site acknowledges that further discussions need to be held between the agencies regarding information usually included in a completion report rather than a quarterly report.

If you have any questions, please call me on extension 4839

Sincerely,

Steven W Slaten
RFCA Project Coordinator
